

TEEN EDITION

AWAKEN THE CREATOR WITHIN — BUILD IDENTITY, PURPOSE, AND AUTHENTIC POWER

The Teen Edition is a developmental learning journey that helps teens navigate identity, emotion, and purpose with creativity and clarity. It teaches them how to align with their authentic self and make empowered choices about who they are becoming.

WHO IT'S FOR

Teens ages 13–18 who are learning to understand their place in the world, cultivate purpose, and turn self-awareness into action.

WHAT IT DOES

It gives teens the tools to author their own story—to move from uncertainty to self-trust, from reaction to creation. Through creative reflection, emotional awareness, and design thinking, teens learn to build lives that reflect who they truly are.

WHAT IT INCLUDES

- The Creator Method + Creator Tree of Life: A step-by-step framework for personal growth, alignment, and manifestation.
- I Am Creator Journal: Guided prompts and reflections that help teens explore values, emotions, and goals.
- Affirmation Deck + Merchandise: Daily practices that reinforce confidence, presence, and authenticity.
- Codessence (Digital App): A self-awareness and creative alignment tool that supports teens in understanding their personal patterns, setting goals, and integrating emotional and creative intelligence into daily life.

HOW IT SERVES

The Teen Edition helps teens turn insight into direction, creativity into purpose, and emotion into intelligence. It equips them to lead themselves with confidence and create from authenticity—developing resilience, clarity, and creative agency.
